Hi Charles Koenig,

I am pleased that you have been selected to attend BYU Idaho starting this coming semester. This is a tremendous opportunity and you are so fortunate to have received this great honor. Congratulations again.

I wanted to explain to you that you have been selected by The Robert and Sue Allen Family Foundation as a outstanding student with great potential and as such we are committed to sponsor your educational expenses at BYU Idaho. What this means is your housing, books, tuition and miscellaneous expenses will be covered for 4 years by our Foundation. You will be expected to earn good grades and maintain the high moral standards of the University and the Church, who sponsors the school. Again, this is a great honor but from what we already know about you we are certain that you will be successful and reach your highest dreams. All of the previous students we have selected have been very successful in their educational accomplishments and have been transformed into men and women of impressive character.

I have added two attachments, one of my bank account and, also, a letter from the bank stating the financial status of the Foundation so that all who look at your application will know that you are assured of financial support as long as you are a student at BYU Idaho for up to four years or your graduation.

Sincerely,

Robert J. Allen, MD.

President of The Robert and Sue Allen Family Foundation
